Residential and Commercial Heating, Ventilation and Air Conditioning and Commercial Refrigeration (Hybrid)	85.71% 18 / 21	94.44% 17 / 18	50.00% 9 / 18

- <sup>1</sup> Completion Rate - the number of students who graduated as a percentage of all students who left school, not counting those who left because they entered another post-secondary education program, the military, or incarceration; or died.
- <sup>2</sup> Employment Rate - the number of graduating students who were employed in the field they were trained for by the program, as a percentage of all students who graduated, not counting those who entered another post-secondary education program, the military, or incarceration; or died.
- <sup>3</sup> Placement Rate - the number of graduating students who were employed in the field that they were trained in by the program, and actually placed in those jobs by the school, as a percentage of all students who graduated, again not counting those who entered another post-secondary education program, the military, or incarceration; or died.
